

Kanileo 'O Kalaniana'ole

Aloha e ka 'ohana Prince Kūhiō,

Passing the Torch

Today, the mantle of leadership for PKHCC passes to a younger generation of mākua, for our kūpuna have determined that now is our time to rise and join with them. Under their guidance, we shall 'auamo kuleana and lead by serving with aloha. We have been trained, we have been prepared, and we are ready. You have raised us, you have supported us, and we are here because of you and our 'ohana. Mahalo.

Remembering Our Past

Under the Board's leadership, we shall spend time remembering our history, honoring our ancestors, and passing on this organization's great legacy to the younger generations. We have supported the resurgence of traditional voyaging, protected the traditional and customary rights of Native Hawaiians, and have helped numerous Native Hawaiians obtain higher education.

We need to hear our stories, sing our songs, celebrate our successes, and lament our losses, and, of course, eat ono food, together.

Taking Stock of Today

We will also spend time taking a good look at the state of the lāhui. Where are we today? What issues face our current generations? From that, we shall determine what specific kuleana is ours to carry. We will discover together, how we can better ho'oulu lāhui – how best to raise our beloved nation and care for our people and the 'āina.

General Membership Meeting
Thursday, January 12, 2017
5:30 p.m.

Topic: Report on 57th Annual AOHCC Convention

Dinner: \$15, RSVP required - please
email pkhcc64@gmail.com or call Claire Pruet at
620-3115

Preparing for Tomorrow

While remembering our past and reflecting on our current situation, we shall build today what is needed for those that follow after us. Let us remember that vision of Prince Jonah Kūhiō Kalaniana'ole, where he saw his people healthy, prosperous, and whole – a future where the lāhui flourished. We shall continue the good work started many years ago towards that vision, and do our part.

Kākou

We can only do these things with your kōkua, with your 'ike, 'imi na'auao pono, and aloha. Together, we can 'auamo kuleana and do honor to our ancestors. Together, we can rekindle the spirit of our club founders Liliuokalani K. Morris, Thomas D. King, Jr., Ethel M. Makinney, and others. Together, we can step into the vision of our namesake, ke ali'i maka'āinana. Together, we can leave Hawai'i better for those that follow. Will you join us on this next leg of our club's journey? Let us do it together.

Na'u me ke aloha,
A. Makana Paris

Kalikimaka Pā'ina

It was wonderful seeing all of you at our annual Kalikimaka Pā'ina held at the beautiful Outrigger Canoe Club! The food was 'ono, music by Pa'ahana and Jeff Au Hoy started our morning, and laughter and greetings of aloha filled the room. Installation of our new officers was led by Roth Kaipō Puahala, Pelekikena - O'ahu Council of Hawaiian Civic Clubs, in which officers and the Board of Directors were called to serve in their elected positions and reminded of their kuleana to our civic club and its members. There was also a special mahalo and lei presented to the 2016 officers and Board of Directors for their service to PKHCC this past year. Mahalo for allowing us to serve you and for your continued support of Prince Kūhiō Hawaiian Civic Club!
